

July 2

Dear Allan: I like the 20page flyer announcing extension to Sept.2: cd you please have Marshall New send me a dozen or so? I will mail them to friends in the LA area...

Spoke this morning to my attorney, Bob Ross, and he says he'll "get to it." Meanwhile, use the quote you mentioned -- where I said you were negotiating TV rights with my knowledge and approval. If they want to talk to my lawyer direct, it's Robert A. Roth, 212-595-6998.
