Dear Kenneth & Bruce:

THE GREEKS is in previews now, and we're gearing up for opening on April 23. On Sunday, April 27, we have scheduled a Press Marathon of all three parts in one day, with breaks between for lunch and dinner! The press response has been good; I think they are challenged and intrigued by the prospect.

Enclosed are a couple copies of our flyer and program for you. You can see, Kenneth, we made good use of some of your RSC program information. You might have gathered since you haven't heard from us that TCG turned down our application for your transportation (they tend to go for new plays). But please come and see us if you get out here.

Sincerely,

Laura
