Play: THE EARLY GIRL
by Caroline Kava

Summary: West Coast Premiere. Contemporary comedy about the raw tumultuous doings of seven "working girls" in a Midwestern house of prostitution. The play probes beneath the decadent surface of prostitution and, with admirable candor and lack of sentimentality, offers pertinent commentary on the profit motive and the pursuit of being "number one." Originally produced by Circle Repertory Theatre in New York last fall.

Producer: Laura Zucker

Director: Allan Miller
