The Production

Donald Margulies' hilarious comedy about a Jewish family. Shirley is a bundle of relentless energy cut off in her prime (and in the middle of redecorating) by a tough piece of moo shoo pork. Her son Archie juggles bagels while he and his father, the dry cleaner Mort, sit at shiva. They find life impossible to adjust to without Shirley. When they least expect it, she comes back. She's still dead - but not for them. That's **WHAT'S WRONG WITH THIS PICTURE?**
