

Max & Zoey, Zoey & Max

"Once upon a time in the not-so-long ago, there was a 4 year, 8 month, 15 1/2 day, 5 hour, 3 minute old little girl named Zoey. (She is very particular about her age.) Zoey returned home from kindergarten and plunked herself down on her front steps to wait for a new adventure. She waited and waited and waited. In the meantime, her best friend Max was in the middle of his own dilemma. It seems some red dots had popped out on his body and he didn't want anybody to see him..."

A musical adventure for children

The Back Alley has commissioned composer and lyricist Will Holt, ("A Walk on the Wild Side") and his wife, Dion Alden Holt, a gifted writer of children's stories, to create a new theatre adventure for children 2—8 years old. The kids follow three delightful characters on a highly participatory musical journey through two stories. Will Holt has created a series of playful new songs about the perils of waiting, the creation of the red dot circus, and night noises—the scary bedtime sounds that can frighten us all!
