
LOS ANGELES CENTER ON ARTS AND AGING

March 17, 1983

PROGRESS REPORT: FEBRUARY - MARCH, 1983

A Technical Assistance Project of the San Fernando Valley
Arts Council in cooperation with the California Arts Council

The Policy Advisory Board met on March 14th at Councilman Joel Wachs' District Office to evaluate the Technical Assistance Mini-Grant applications and award the Mini-Grant consultancies. Seventeen organizations submitted applications to the Center on Arts and Aging. After reading the applications, Board members completed a criteria evaluation sheet for each application. Members then voted for applications to be considered for a Mini-Grant consultancy. The thirteen organizations receiving Mini-Grant consultancies are listed below. A committee of Board members will meet next week to assign the consultants to the organizations.

The NEXUS newsletter is currently being distributed to arts, aging and educational organizations. An announcement for the April 9th workshop, "Expanding Cultural Horizons: Opportunities for Artists and Older Adults," held in cooperation with Los Angeles County Museum of Art, Education Department is also being disseminated.
